

a property by a State Historic Preservation Officer may petition the Keeper during the nomination process either to accept or reject a nomination. The petitioner must state the grounds of the petition and request in writing that the Keeper substantively review the nomination. Such petitions received by the Keeper prior to the listing of a property in the National Register or a determination of its eligibility where the private owners object to listing will be considered by the Keeper and the nomination will be substantively reviewed.

(u) State Historic Preservation Officers are required to inform the property owners and the chief elected local official when properties are listed in the National Register. In the case of a nomination where there are more than 50 property owners, they may be notified of the entry in the National Register by the same general notice stated in §60.6(d). States which notify all property owners individually of entries in the National Register need not publish a general notice.

(v) In the case of nominations where the owner of private property (or the majority of such owners for a district or single property with multiple owners) has objected and the Keeper has determined the nomination eligible for the National Register, the State Historic Preservation Officer shall notify the appropriate chief elected local official and the owner(s) of such property of this determination. The general notice may be used for properties with more than 50 owners as described in §60.6(d) or the State Historic Preservation Officer may notify the owners individually.

(w) If subsequent to nomination a State makes major revisions to a nomination or renominates a property rejected by the Keeper, the State Historic Preservation Officer shall notify the affected property owner(s) and the chief elected local official of the revisions or renomination in the same manner as the original notification for the nomination, but need not resubmit the nomination to the State Review Board. Comments received and notarized statements of objection must be forwarded to the Keeper along with the revisions or renomination. The State

Historic Preservation Officer also certifies by the resubmittal that the affected property owner(s) and the chief elected local official have been renotified. “Major revisions” as used herein means revisions of boundaries or important substantive revisions to the nomination which could be expected to change the ultimate outcome as to whether or not the property is listed in the National Register by the Keeper.

(x) Notwithstanding any provision hereof to the contrary, the State Historic Preservation Officer in the nomination notification process or otherwise need not make available to any person or entity (except a Federal agency planning a project, the property owner, the chief elected local official of the political jurisdiction in which the property is located, and the local historic preservation commission for certified local governments) specific information relating to the location of properties proposed to be nominated to, or listed in, the National Register if he or she determines that the disclosure of specific information would create a risk of destruction or harm to such properties.

(y) With regard to property under Federal ownership or control, completed nomination forms shall be submitted to the Federal Preservation Officer for review and comment. The Federal Preservation Officer, may approve the nomination and forward it to the Keeper of the National Register of Historic Places, National Park Service, United States Department of the Interior, Washington, D.C. 20240.
